TROJAN ERA

Marty,
Well, theres not much to say, because you told me not to say "Have a good Summer", so I wont, o.k. Im sorry that we cant get high today, but maybe Thursday, that sounds good to me. Anyway, it looks like you are doing it today, but Dave says you do it everyday, whatever doing it is.

The uproar of battle, a ship's passage to a far off land, monstrous creatures; all these come to mind when thinking of the TROJAN ERA. It was an age of precarious alliances, speculative conquests, venturesome journeys.

This adventuresome period, in time, led to a new age, where new attitudes developed in the areas of government, philosophy, religion and science. Many eras of man have passed. God has been with us during all eras guiding, protecting and beckoning us to carry out His will.

If we are Christians, we can live every day as a new era, discovering what new and wonderful gifts God has in store for us, having already discovered God's greatest gift — the forgiveness of our sins through the redemptive work of Jesus Christ.

As a Christian, one can live boldly and unafraid, confident that God's grace and promises will hold true each and every day and will continue to hold true even after one's own personal era on this earth comes to an end.

"And I will give them one heart and put a new spirit within them; I will take the stoney heart out of their flesh and give them a heart of flesh, . . ."

Ezekiel 11:19

"Therefore, if anyone is in Christ, he is a new creation; the old has passed away, behold, the new has come."

2 Corinthians 5:17

". . . and lo, I am with you always, to the close of the age."

Matthew 28:20

"Sing to the Lord, all the earth! Tell of his salvation from day to day."

SENIORS

Class of 1981

You've made it:
You're at the top.
A Senior!

With privileges:
Facial hair, off campus,
Free periods.

But . . .
All is not positive,
You have your limits.
You're a member of a society
And a society has rules.

Pastor Hampton is still here.
The bell still rings.
The assignments are still due.
The report cards still come.

But . . .
Somehow it's different.

Decisions need to be made.
"What college should I go to?"
"Should I retake my SAT?"
"What are these schools
cluttering my mailboxes and
sending reps to Sacred Studies?"
"Will I ever get Financial Aid?"

Impressions

In the early fall, members of the senior class were given a questionnaire. The purpose of the questionnaire was to find out what kind of "impression" Lutheran High had left with them. On the questionnaire, the seniors were asked questions such as, "What has Lutheran High meant to you? If you could relive your high school experience what would change?" Also the students were asked to describe their best and worst memory concerning Lutheran High. They were even given a chance to list their favorite quotes. On the following set of pages are some of their answers.

"I will remember most the people and all my friends and teachers who really cared and were concerned. My worst memory will be in saying goodbye." — Julie Swinton

"I would have gotten more involved during the first years of high school instead of waiting toward the end to be more active." — Stacy Leppert

"Losing Mr. Harden was the worst memory, but we gained another excellent teacher in Mr. Rollins." — Diane Guenther

"I will remember beating Serrano to capture the Arrowhead League Championship as my best memory." — Brian Becker

"I would have done my homework a little more, studied a little harder, and smiled a little more." — Debbie Stueve

"I will remember, Moe, Mare, and Mel and all the fun that the 4Ms had together." — Melissa Calvin

"War is peace, freedom is slavery, ignorance is strength. This is what the world is like and its going to get worse." — Mark Scheuermann

"I will remember how small and personable Lutheran High was." — Jeff Lampman

"My worst memory will be wearing dresses on stormy, hailing days with the temperature around 32 degrees." — Mona Masonis

"See ya!" — Shannon Thurston

But then it's '81,
The year that would never come . . .

Suddenly May isn't so far away.
You get measured for your caps and gowns
And send out graduation announcements.
You get home from the prom at 5:00 a.m.
And your parents don't mind.

Emotions are torn:
Happy, sad, and a little scared.
You finally realize why
Past seniors dreaded

You've made it.
You're at the top . . .

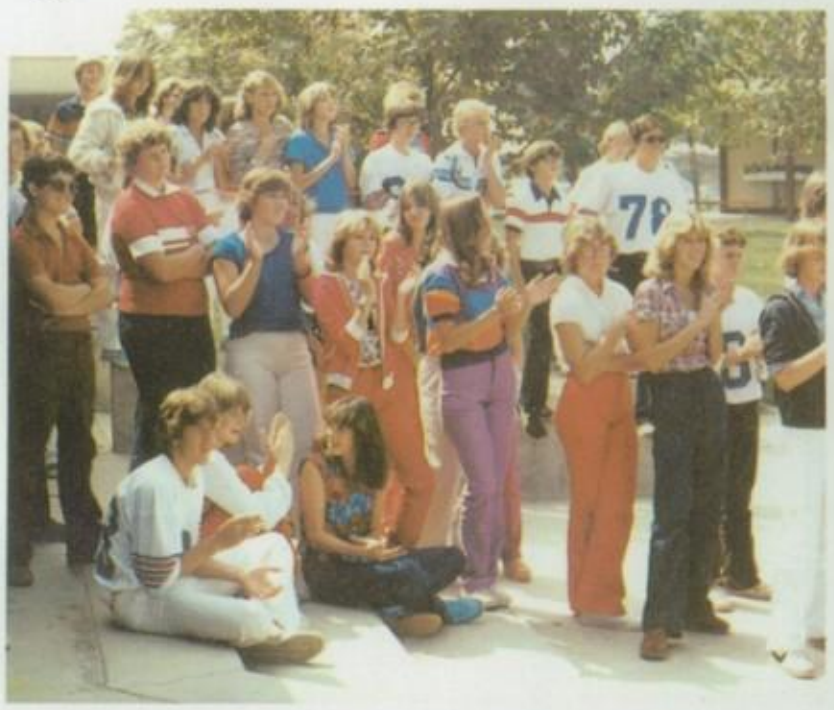
Eight years ago, an era began, the Trojan Era. This year, each day at LHLV added to the era. Everyday was different, with new activities springing up daily.

New faces helped to set this particular year apart, such as Mr. Rode's facial reconstruction. Tiny Tom, the younger cat at LHLV was also a new face. Freshmen added new faces and continued the era already established by the Seniors, Juniors, and Sophomores.

1. Greg Roan is caught in the act by Mr. Geach.
2. Mr. Rode shows us one of his many faces.
3. Victor Tejera and other freshmen and sophomores enjoy lunch.
4. Freshmen Linda Hoffman and Michelle Markus talk with friends.
5. Tiny Tom is fed by one of **his** many friends.
6. Janice Hartley contemplates her latest English assignment.
7. Tamara Martinez shows her Trojan pride.

Rally Day



Every two weeks there was a rally at LHLV. These rallies lasted about 30 minutes each and were designed to raise the Trojan spirit and pride. Attending an LHLV rally guaranteed a good time.

During a rally, the teams would be introduced by their coaches to the entire student body. Also, there were the usual class competitions, which would involve people from each class who competed in crazy contests, such as trying to shoot shaving cream off a person's nose with a squirt gun, and a three person, four-legged race.

Class of '83

Welcome back to your second year at LHLV.
You survived your first,
and now you know what high school is all about.
Strangeness is gone.
Teachers and classes are now familiar and routine.
Algebra 105 gives way to Geometry.
You grew during the summer,
and are no longer the smallest on campus.
Class unity grows,
and it shows in your spirit at rallies.

You've turned 16;
an important year.
Driver's Ed,
your license,

FRESHMEN

Class of '84

You've been through summer school
and have become used to the room numbers, barely.
But somehow you weren't ready for
all of this.
Seven teachers and forty-five minute classes
aren't that much fun.
Seniors seem so distant,
Not to mention huge!
You go through the five-week trial
for Naval Science,
and you find out what Sacred Studies is all about.
Then there are the rules . . .
a lot of them.
You get a bottom locker
and have more books than you've ever seen.
You're not sure that coming to Lutheran High
and being a Trojan was such a great idea.
Slowly things begin to look familiar.
Old rivals that you played against
in grade school
become new teammates and friends.
You begin to realize that L.H.L.V. is
more than something you do,
it is a way of life.

FACULTY

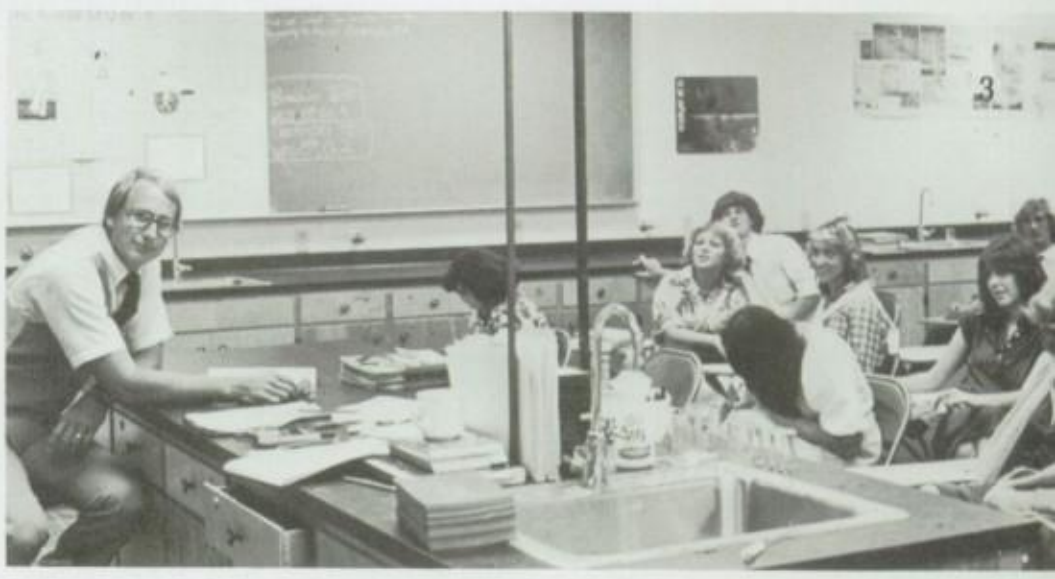
Teachers

Yawn . . .
It's only 7:15 and you're at school already.
The Thursday morning meeting begins.
Devotions start your day,
scheduling is verified.
Who has lunch patrol?
Field trips are planned —
is the bus ordered?

The bell is ringing:
a last minute rush to your room.
32 eyes are staring at you —
from the other side of the desk.
There's so much for you to tell . . . somewhere between the notes,
the clowning, the "unneccesary blurts."
and you only have until May.

The Break:
a midmorning pause
between the lecture that bombed
and the one you hope will go better.

The bell again:
"Quiet down! We've got work to do."
"No, the quiz is tomorrow."
"The purpose of this is . . ."
"It's not a 'PX', it's a chi rho!"
"This is due at the end of class."
"Who says it has to be fair!"



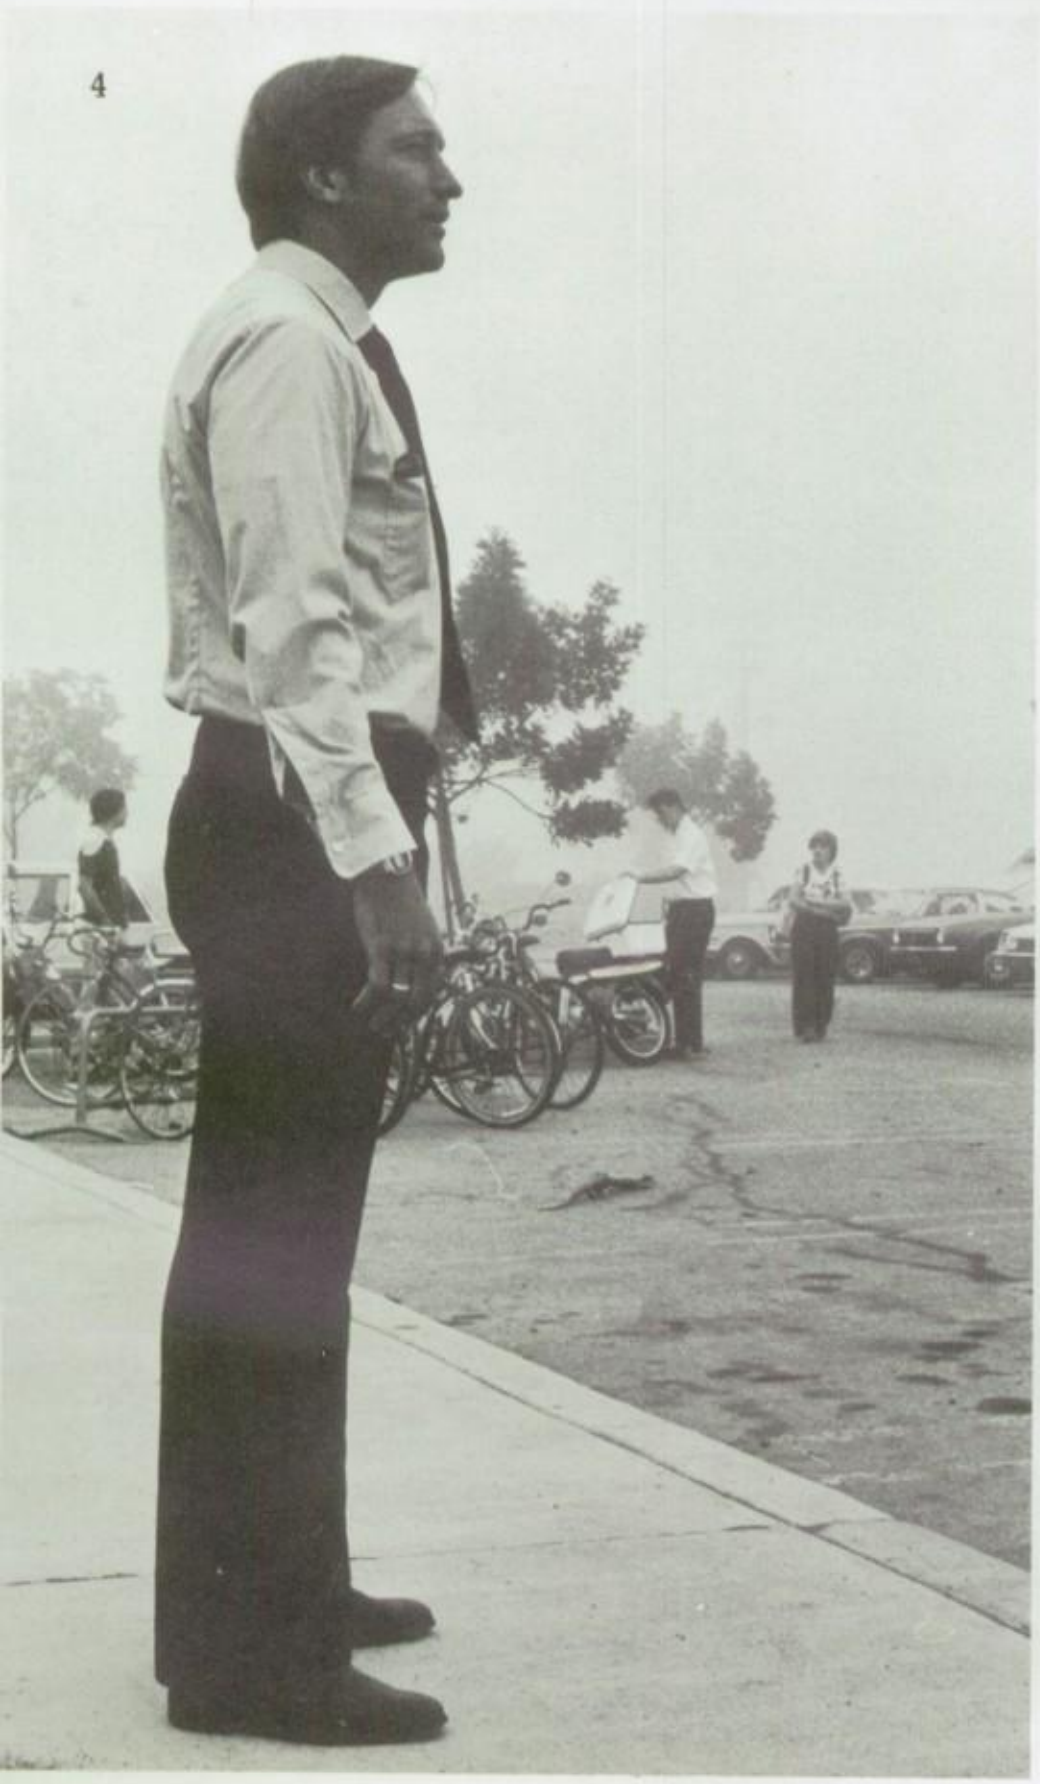
Administration

You're the backbone of the school.
You do so much
and get so little in return.
You are accountable —
accountable to the faculty,
accountable to the parents,
but most of all . . .
accountable to the students.

Secretaries

Absentees, tardy slips,
hall passes, disciplinary forms,
mid-term reports, special reports,
you spend a lot of time
just on paper work alone,
but people are your main concern

1. Teachers share concerns at a Thursday morning Faculty meeting.
2. Always having time for people, Mrs. Johnson does a good job.
3. Chemistry would never be the same without Mr. Schmidt.
4. On "patrol" is Mr. Marty: a friend to everyone.
5. Mr. Rode, Mr. Rollins and Mrs. Foxen chat during a pep rally.
6. Mr. Klawiter keeps an eye on Julie Swinton during class.
7. Mr. White supervising Freshmen P.E.
8. Diane Guenther, Mrs. Jean Foxen and Mr. Jaime Schmidt watch the Trojans play football.
9. Mr. Agnew discusses the pros and cons of paddle tennis with the 6th period PE class.
10. Mrs. Albers announces a test for the Freshmen class.
11. Sandra Walter gets help for the "Warrior" from Mr. Bretscher.
12. Trojan is caught once again sleeping on Pr. Hampton's couch.



7th period is over
but your day isn't done:
coaching and advising
a team, class, or club,
tutoring or grading papers,
selling tickets for sports,
and chaperoning dances.

There are phone calls to answer,
parents to meet with,
students to counsel,
devotions to plan,
grades to record,
Then, **finally**, home.

Teaching may not be
the oldest profession;
but it certainly has
the longest hours . . .
and the most dedicated people.

Friends of Lutheran High

1

Lutheran High has many good friends working behind the scenes. They are the Guild, the Boosters and Public Relations.

The Guild is led by Mrs. Millie Gunther; the Boosters by Mr. Nick DeRose; and Public Relations by Mrs. Shelby Goetz. They are dedicated to supporting the school both spiritually and financially.

The Guild's primary source of support comes through the operation of the Thrift Shops in Pomona and El Monte. The Boosters raise a lot of their money through admission to athletic events and the operation of the Snack Shack during football games.

Joint projects of the Guild and Boosters include the spaghetti dinner, the pancake breakfast, roller skating parties, and the Holly Fair.

Public Relations serves as a liason between the school and the general public. They see that our school is represented at special events with displays and slide presentations. They also oversee the building fund drive each year.

To these friends, Lutheran High owes a great deal of thanks and appreciation.

Spirit Week

Spirit Week was held during the week of November 4 through November 8, with the week culminating on Saturday the 9th, Homecoming Day. The Sophomores held Tourist Day on Monday. Tuesday was set aside for the Juniors, who sponsored Sports Day. The Freshmen had Wednesday, which was T-Shirts and Blue Jeans Day. Next came the Senior class on Thursday which was Toga Day. The final day, Friday, was set aside for the cheerleaders, who held Clash Day. Saturday came with all the excitement, anticipation, and guesses of who would become this year's Homecoming Queen. The Court, consisting of Mary Anderson, Karyn Beckman, Melissa Calvin, Monique Guevara, and Tamara Martinez, were present at the Homecoming game, and at halftime Alesa Schinnerer, last year's Homecoming Queen, crowned Melissa Calvin.

4. The 1980 Homecoming Court is presented to the student body during a special assembly.
5. On Toga Day, Sophomores, Jim Mudge and Andy Mutschler show that they have school spirit.
6. The Homecoming court is escorted by our NJROTC cadets.
7. Queen Melissa Calvin and her court is presented to the Homecoming game crowd.
8. Melissa Calvin and her father show their emotions after Melissa was crowned Homecoming Queen.
9. The Queen's Dance, music is provided by Fat City.

J.V. FOOTBALL

The J.V.'s finished with a 5-5 overall record and a 5-2 record in Arrowhead League play, placing them third in league.

The J.V. Football team started out by losing all three of its non-league games by shutout to Western Christian 24-0, L.A. Baptist 39-0, and Bell-Jeff 42-0. Each week the team improved little-by-little, regardless of the lopsided scores.

The first win of the year was over Melodyland. After being down 12-0 in the fourth quarter, LHLV scored 13 points to win 13-12. The next game was lost to the league champions, Serrano, 33-0. After this game the J.V.'s won four games in a row. The offense began to move the ball on the ground and through the air and the defense improved greatly. An LHLV record for points scored came against CSDR in a 54-0 romp. Against Webb it was a convincing 20-0 shut-out. The Eagle Mountain game was a hard-fought 26-8 come from behind victory. The Homecoming game against a physical Sherman team was an exciting 21-15 see-saw victory. The battle for second place in the Arrowhead League was a heart-breaking 22-20 loss to Lutheran Orange. LHLV scored with 1:35 remaining in the game to make the score 20-15. On the last play of the game Lutheran Orangee scored to win the game.

The 1980 J.V. football team was very exciting to watch and to coach. The coaches were pleased with the weekly improvement. As a defensive-minded coach, I personally enjoyed working with our offense and felt it was a very exciting offense to watch. The line led the way for a running game over 1200 yards and gave our quarterback the protection to pass for over 500 yards. John Barbee had several games of over 100 yards and one game of over 200 yards. His season total was 805 yards and 10 T.D.'s. Rob Perry completed 26 of 65 passes for 507 yards and 9 T.D. passes. Mark Anderson was the leading receiver and caught 5 T.D. passes. He also lead the team in tackles on defense.

The training is intense.
You make it through Hell Week — barely.
Major Hoople's predictions are spread.
The opening game: the test of a new team.
Coaches have prepped you well,
but in the end, you must perform.

Winning the Smudgepot Bowl
and the Homecoming games
was a source of Trojan pride.
It's all part of the Trojan experience.

VARSITY FOOTBALL

The 1980 season was highlighted by the largest varsity squad in the history of the school. Twenty-eight players finished the season for the Trojans with most of them seeing much playing time. The season started with a young and inexperienced defense. The defense improved each game and finally became solid in the middle of the league season. The defense was highlighted by Max Lynn, setting new school records for the most interceptions in a season (9) and career (18).

The offense showed its potential from the first game. Combining a solid running attack with a good passing game, the Trojans were in most games until the end. The offense was paced by David Coleman's new school record for total offense (1313 yards).

With the experience gained this year and with a solid group of J.V.'s coming up to the varsity, next year should be another banner year for the Trojans.

VOLLEYBALL

Philippians 3: 12-14
I do not claim that I have already succeeded or have already become perfect. I keep striving to win the prize for which Christ Jesus has already won me to Himself. Of course, my brothers, I really do not think that I have already won it; the one thing I do, however, is to forget what is behind me and do my best to reach what is ahead. So I run straight toward the goal in order to win the prize, which is God's call through Christ Jesus to the life above.

As the VB season progressed it was evident that both Varsity and JV displayed tremendously improved skill levels and teamwork.

Our goal was to strive for "**our best**" & this was evident with Varsity's consistently powerful servers **Cheryl Henke, Tammy Seibert and Diane Guenther.** Defeating Serrano and Melodyland and experiencing several single game victories demonstrated the concentration and team attitude needed to obtain the goals set.

Although our final League standing was not what we had intended it to be, it was a very rewarding season overall.

What a season! Looking back, it was very difficult to summarize all that happened over the many miles that were run. From the 6 a.m. practices to the CIF Finals both teams worked very hard.

Each opened the season optimistically with wins over Western Christian. The men experienced disappointment with a lack of wins until Webb fell underfoot in defeat. With close scores throughout the season, the men ended up 3-11 against all teams. All worked hard together with each in the group improving and achieving new goals. A loss of two seniors will be felt although the underclassmen should not be overlooked.

The women's team started strong and kept improving. With only two losses, to Orange and Sherman, the team entered league hopefully. They put together one of the strongest team finishes I h ever seen. They captured league meet and a co-char onship with Sherman. T then went to CIF competi and the championship mee the final meet, the team pla a fantastic sixth. The loss senior will also be felt by 17-9 team.

In my rookie season I proud to be associated w two teams that worked w desire, drive, and dedicatio

1. On the difficult uphill part of our home course, (San Dimas Canyon County Park), Nina Goetz, Mona Masonis, and Sherry Mawhorter charge into the lead against L.A. Lutheran.
2. At the end of two miles, Mona crosses the line in first place.
3. On the fast downhill section of our San Dimas course, Jim Mudge is about to pass an Orange Lutheran runner.
4. Norval Hardy and Mark Scheuermann pull away from Jim Mudge and an Orange runner in an all important league race.
5. During the Lutheran 3-way meet, with LHLV, Lutheran Orange, and Lutheran L.A., Romney Mawhorter pulls away from the field.
6. Derenda DeRose makes her move against Orange runners in our double win over Orange and L.A.
7. On the uphill, Mark Scheuermann extends his lead over L.A. Lutheran runners.
8. The Trojan men line up with L.A. Lutheran at the starting line.

MEN'S VARSITY BASKETBALL

Team members, **Back row:** Coach Agnew, Matt Geyser, Mark Scheuermann, Brian Becker, Mark Price, and Kevin Werner. **Middle row:** Mike Nelson, Dave Smith, and Paul Vogel. **Front row:** Dave Coleman.

I was blessed this year with a group of fine individuals. As a collective group they possessed a unique chemistry which made working with them a pure delight. They worked hard over the course of the season and I was very proud of their competitive spirit and determination to improve.

Our first game brought us a victory over Heights Lutheran with a convincing score of 65-28. Kevin Werner and Brian Becker were high scorers with 15 and 12 points, respectively. Unfortunately, the rest of our pre-season games weren't as successful. The alumni game provided much excitement, as it was a close game all the way, with the Varsity losing by 1 point in the closing seconds. Matt Geyser played excellent, scoring 19 points. Mark Scheuermann displayed some fine outside shooting, scoring 12 points.

League play provided a lesson in how to handle frustration. After a victory over CSDR, our next 4 games were all close but never victorious. The margin of victory was never more than 4 points.

Kevin Werner was our most consistent performer all season scoring 16 points and getting nearly 10 rebounds a game. Brian Becker provided the rebound punch, averaging 12 per game.

One of the most satisfying victories was against Webb, when we totally dominated the Gauls. Dave Smith led the defense with a fine performance.

1. Matt Geyser helps the team's 54 points per game average by adding 2 points.
2. On a drive to the basket, Paul Vogel draws the blocking foul.
3. Mark Scheuermann contributes 2 points towards his 8 points per game average.
4. Mark Scheuermann shows good shooting form against Capistrano Valley Christian.
5. On the fast break, Dave Smith pulls up at the free thow line for the jump shot.
6. Dave Smith calls the inbounds play during our loss to Capistrano Valley Christian.
7. Kevin Werner off the play "Stack" shoots for 2 points.

MEN'S J.V. BASKETBALL

Team members: **Back row:** John Devens, Bob Schultz, Brett Midkiff, Brad Grady, George Ireland, Craig McComb, David Polzin, Mark Joslin, and Coach Schmidt. **Front row:** Trent Mackie, Wayne Hittinger, Cliff Ogg, Natt Vogel, Romney Mawhorter, and Joe Simpson. **Not pictured:** John Thompson, Todd Verrill, and Eric Wiedner.

1. Romney Mawhorter, one of the better ball handlers, goes in for the easy 2 points.
2. One of the more consistent players of the year, Trent . Mackie goes up for 2 points.
3. The J.V. Trojans in a tight 2-3 defense prevent Capistrano players from scoring inside.
4. Joe Simpson breaks through the opposing players defense for the easy lay-up.

WOMENS BASKETBALL

VARSITY

The 1980-81 women's basketball team was plagued by a lack of height. The team suffered several close defeats. The season was highlighted with an opening win over Heights Lutheran and winning both games against Melodyland.

John Rode

Back row: Coach Rode, Julie Swinton, Sandra Walters, Arlene Theall, Edie Wood, Whitney Claypoole. **Front row:** Cheryl LaPlante, Nina Goetz, Kelly Hubatika, Stacy Belville, Connie Ogg.

JUNIOR VARSITY

Learning to play basketball and gaining playing experience were very important parts of our program. Learning the different aspects of the game and having fun were the main successes of the season.

Learning to play as a team is a difficult task, but this was accomplished by the fact that there could be many players selected as outstanding. Any credit for victories or accomplishments must go to the players. They are the ones who did the work and played the games. With a year of experience and a summer of hard-work these women will come out blazing next year and be a credit to women's athletics.

Jerry White

Back row: Linda Hoffman, Karine Robburts, Andrea Belfuss, Darenda DeRose, Lisa Teel, Coach White. **Front row:** Kenna Theall, Michele Markus, Michele Sherman, Jennifer Job, Deana Burke.

VARSITY

1. The Trojan women move in for the rebound against Melodyland.
2. Julie Swinton drives for two points as Edie Wood look on.
3. Edie Wood releases a shot from the top of the key.
4. Connie Ogg sets up for a shot while Kelly Hubatika provides the screen.
5. Sandra Walters brings the ball up court during the inter-squad scrimmage.
6. Nina Goetz prepares to sink one from the line.

JUNIOR VARSITY

1. Lisa Teel shows her form from the free throw line.
2. Linda Hoffman leads the Trojan women up the court.
3. Karina Robburts lets one fly from the baseline.
4. Linda Hoffman searches the key for a teammate to pass to.
5. Darenda DeRose puts up an outside shot against Serrano.
6. Michelle Sherman gets a shot off under heavy pressure.

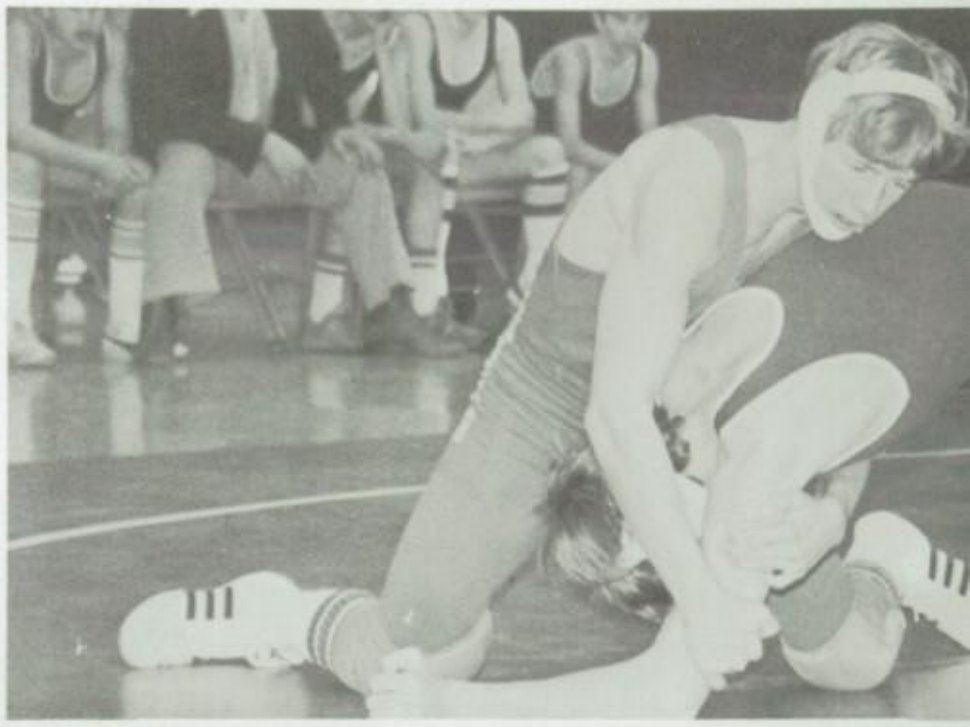
WRESTLING

In a building year, the Trojan wrestling team started the season with only five returning varsity lettermen. The young team improved every week, and the experience gained this season will contribute to a strong season next year with everyone returning.

The team finished with a 7-8 overall dual record and a 5-3 dual league record to finish third behind Sherman and Melodyland in the Arrowhead League.

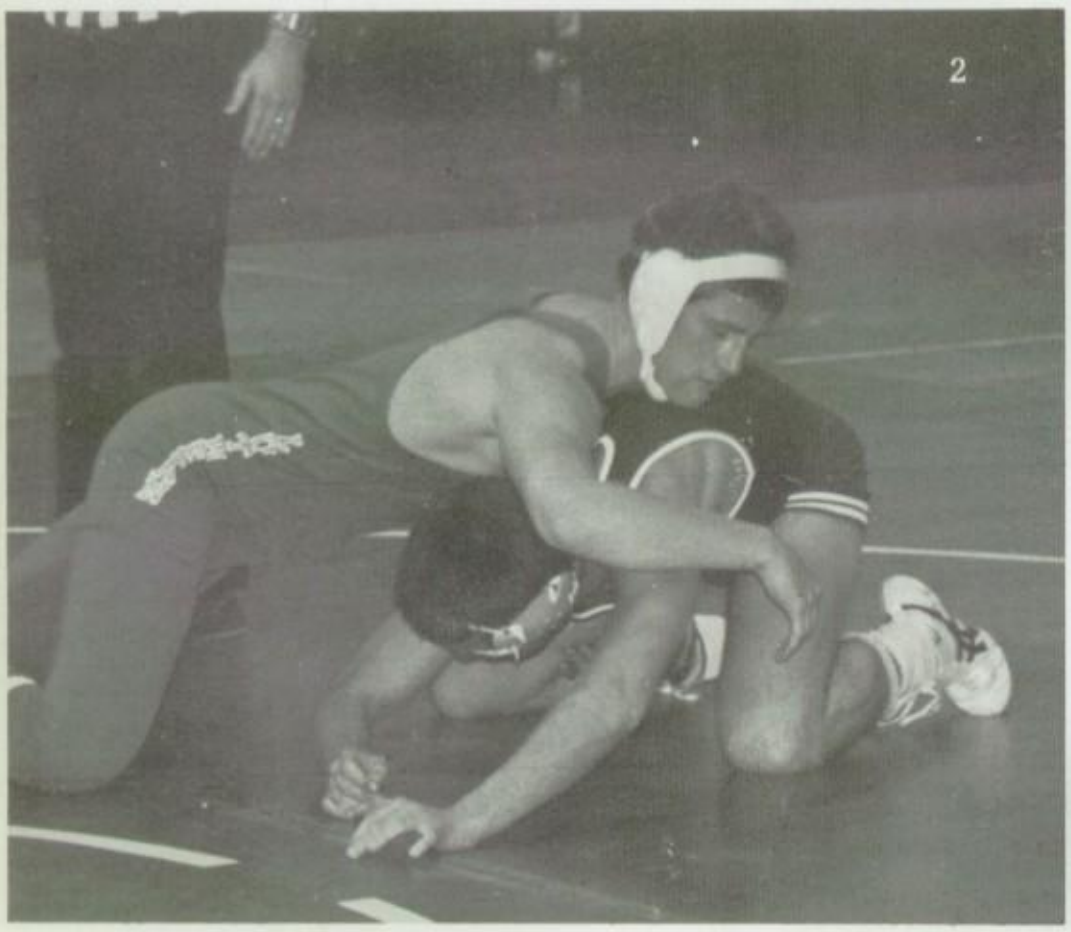
The following wrestlers were medal winners at tournaments: (Note: Bonita 4-way-B; San Bernandino Takedown — SB; Big Bear 4-way — BB; Eagle Mtn. — EM; Arrowhead League — AL).

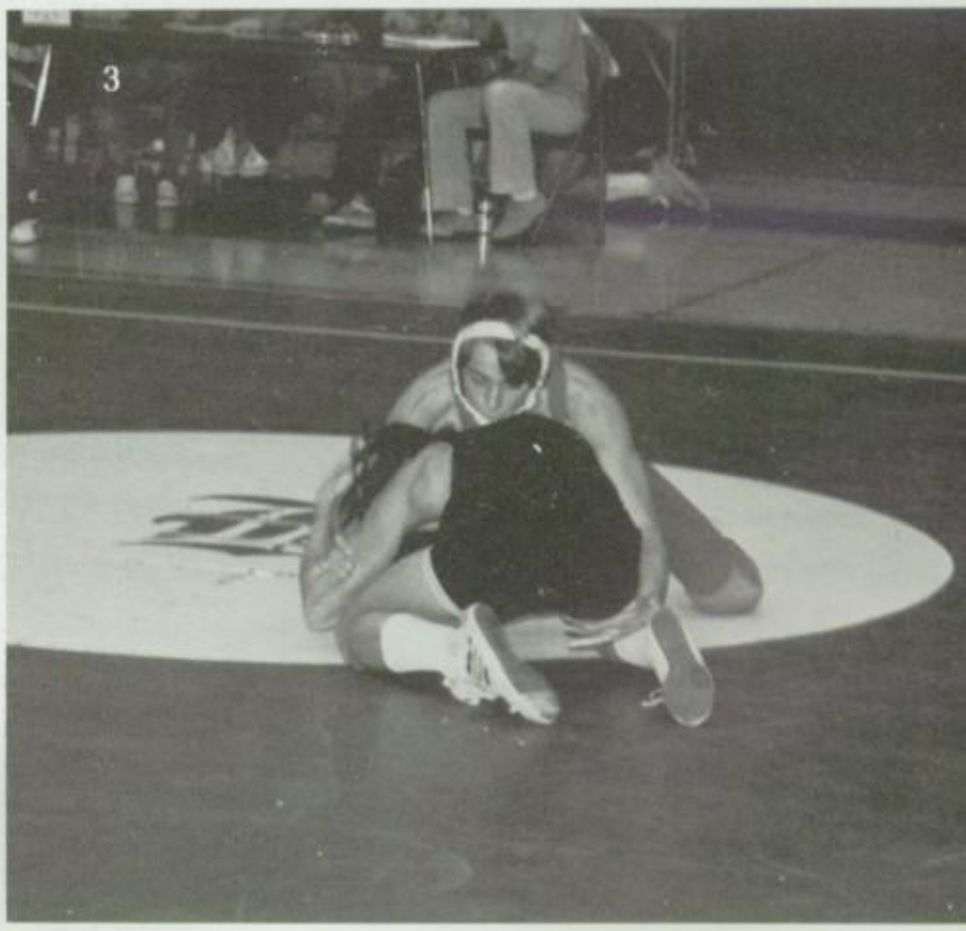
115 — Eric Fiore (15-8, 6-1 AL) 2nd EM, 2nd AL; 122 — Fianon Gannon (8-9, 5-2 AL) 2nd AL; 141 — Steve Walter (18-3, 8-0 AL) 1st B, 1st BB, 2nd EM, 2nd AL; 148 — Mark Anderson (9-4, 5-1 AL) 2nd SB, 3rd EM; 148 — John Barbee (14-8, 4-2 AL) 1st BB, 3rd SB, 4th EM, Arrowhead League Champion at 148, Outstanding Wrestler at AL Tournament (Upper weights); 203 — Craig Larson (11-10, 3-4 AL) 3rd EM, 3rd AL; 248 — Joe Ban (8-4, 5-1 AL) 3rd EM.

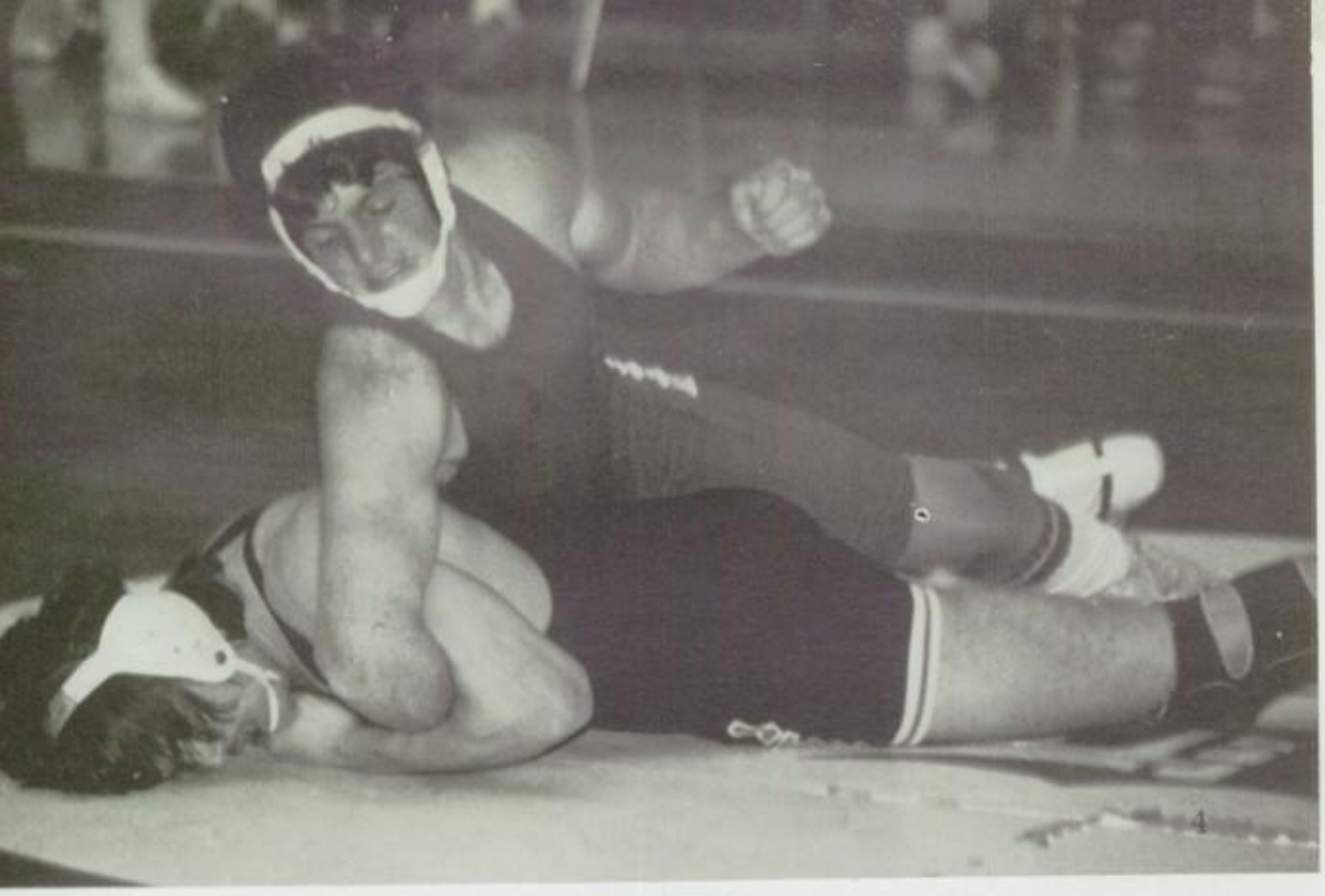


Coach Marty

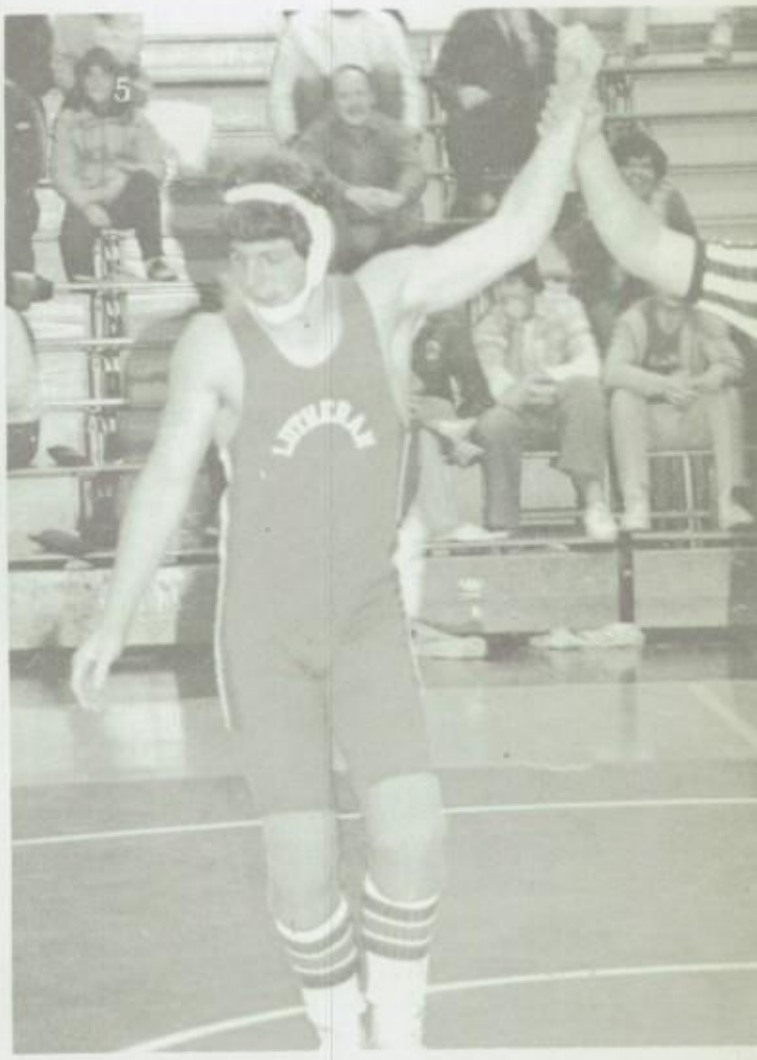
Top row: Coach Marty, Craig Larson, Tim Martinez, Joe Ban, Garth Smith, John Guevara, Mark Anderson, Gregg Ruiz, Coach Taylor. **Middle row;** Scott Dom, Rick Ronneburg, Stan Hill, John Scrofani, Fred Lara, Shawn Armstrong, John Barbee, Steve Walter. **Bottom row:** Fionan Gannon, Ray Wright, Derron Dudley, Victor Tejera, Dan Breshears, Tom Jordan, Darin Storkson, Eric Fiore.

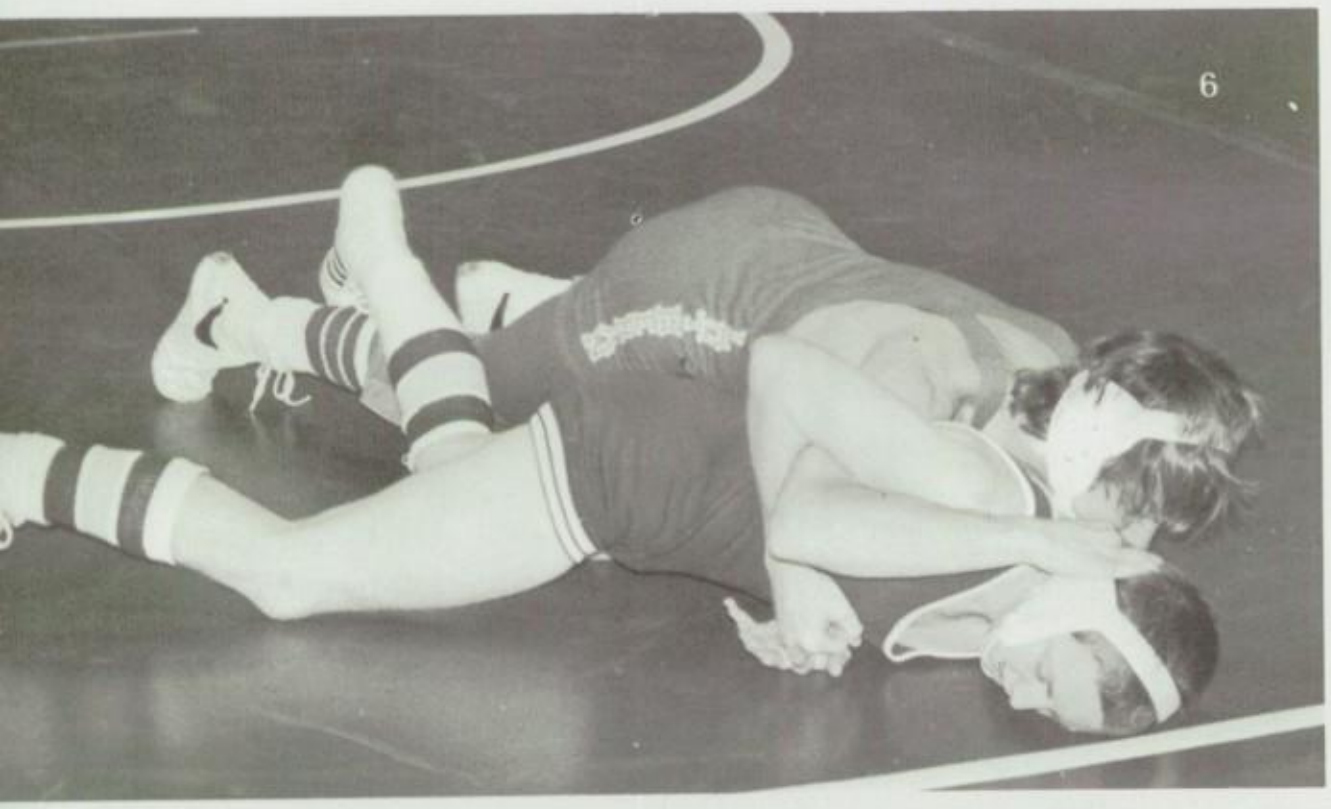


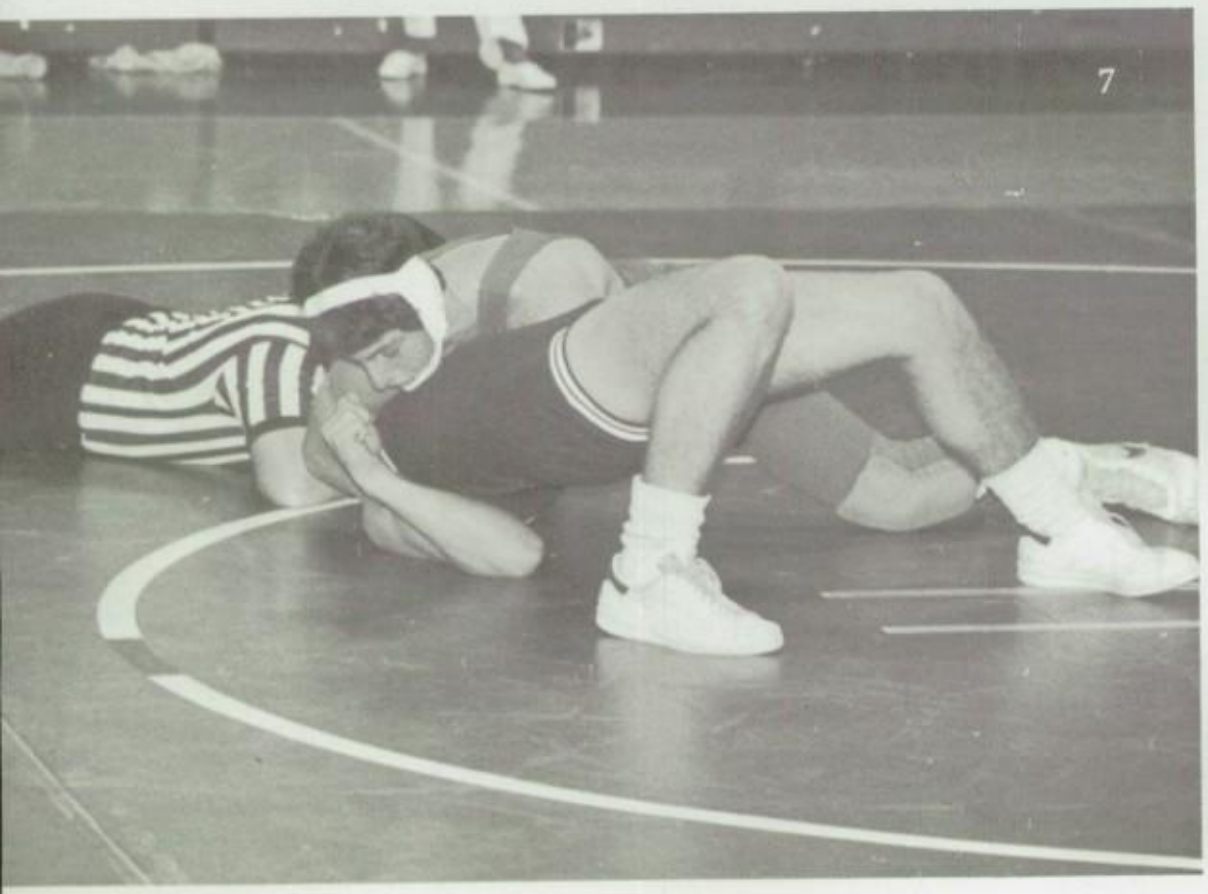


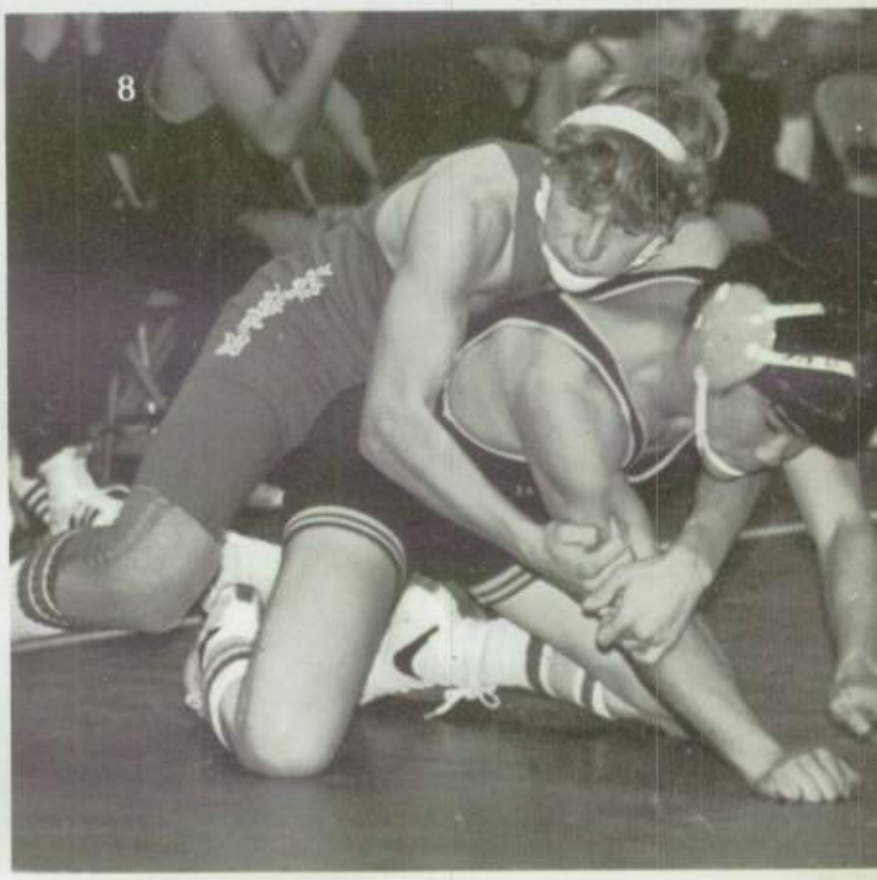


1. Derron Dudley counters a single-leg takedown.
2. La Puente wrestler is controlled by Garth Smith.
3. Eric Fiore goes for the takedown at Bonita 4-way.
4. John Barbee aggressively rides his opponent leading to a 6-4 decision.
5. An LHLV victory over Melodyland.
6. "Fiore of La Verne" begins to pin his Melodyland opponent in 59 seconds.
7. Barbee works for the fall.
8. Webbie is broken down by Dudley.









BASEBALL

Last baseball season the 1980 team . . .
Compiled an o''erall record of 9-9,
Beat Orange Lutheran who ended up second in the C.I.F. playoffs.
Won a second place trophy in the Maranatha baseball tournament.
Dave Coleman was All League, with a 393 batting average, 5 homeruns, and 14 stolen bases.
Rod Desmond was All League-Honorable mention, with a 7-2 pitching record, a 2.41 ERA and 53 strikeouts.
John Haines had a .348 batting average in league play.

TRACK

While last year was a reorganization year for Lutheran High Track, 1981 is promising, especially with the addition of the new metric track.

Expected to return for the men will be CIF pole vaulter Mac Lynn, sprinters Dan Daum, Dan Ort, Mike Maynard, and Jeff Armstrong, distance crew Mark Scheuermann, Andy Mutschler, Jim Mudge, and Matt Haynes, weight men Brian Becker, Garth Smith, Tim Martinez, and Tom Holtz, also Brett Midkiff.

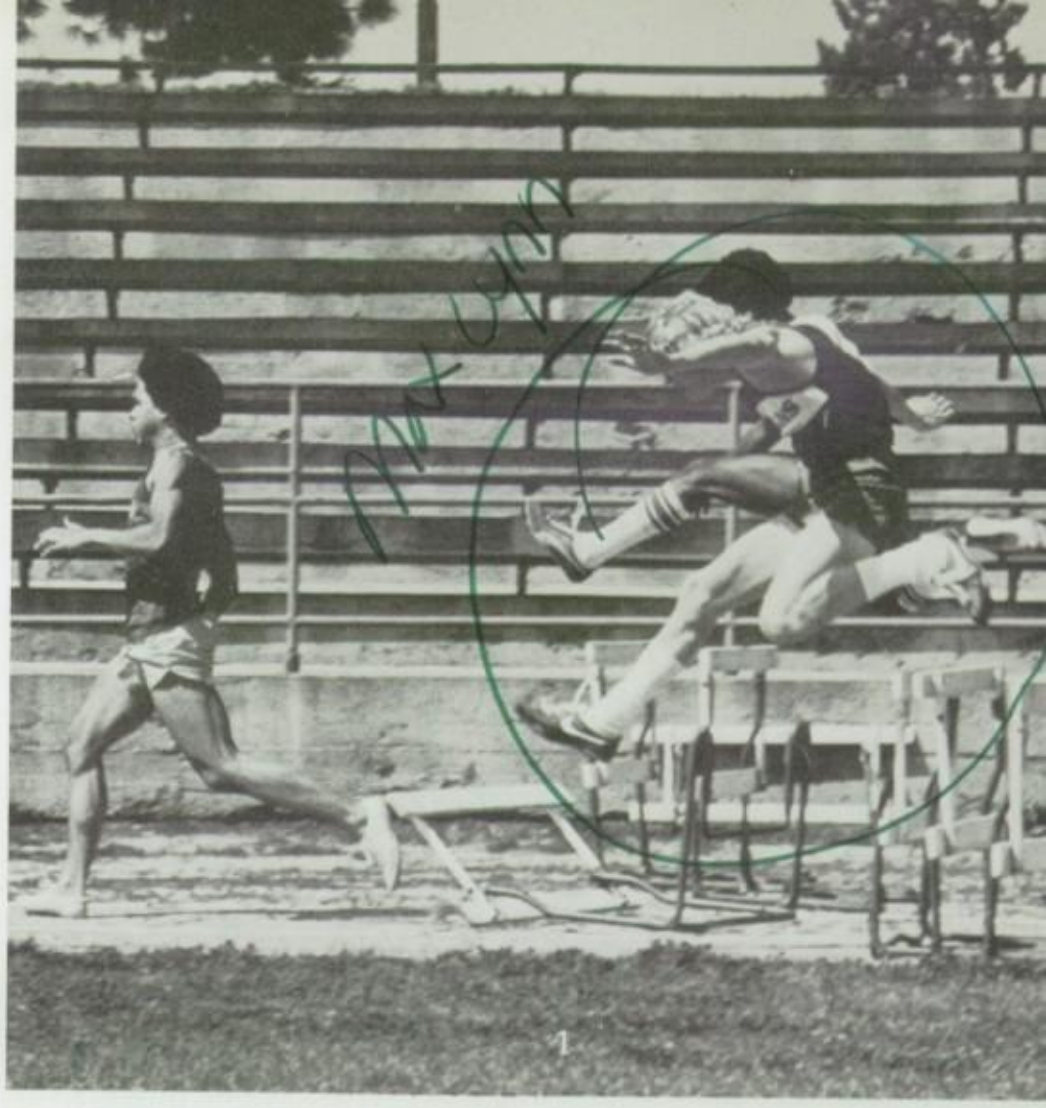
New prospects for 1981 include Norval Hardy, Mark Price, Greg Roan, Craig Larson, George Ireland, Romney Mawhorter, Wayne Hittinger, John Thompson, John Scrofani, and Mike Mutschler.

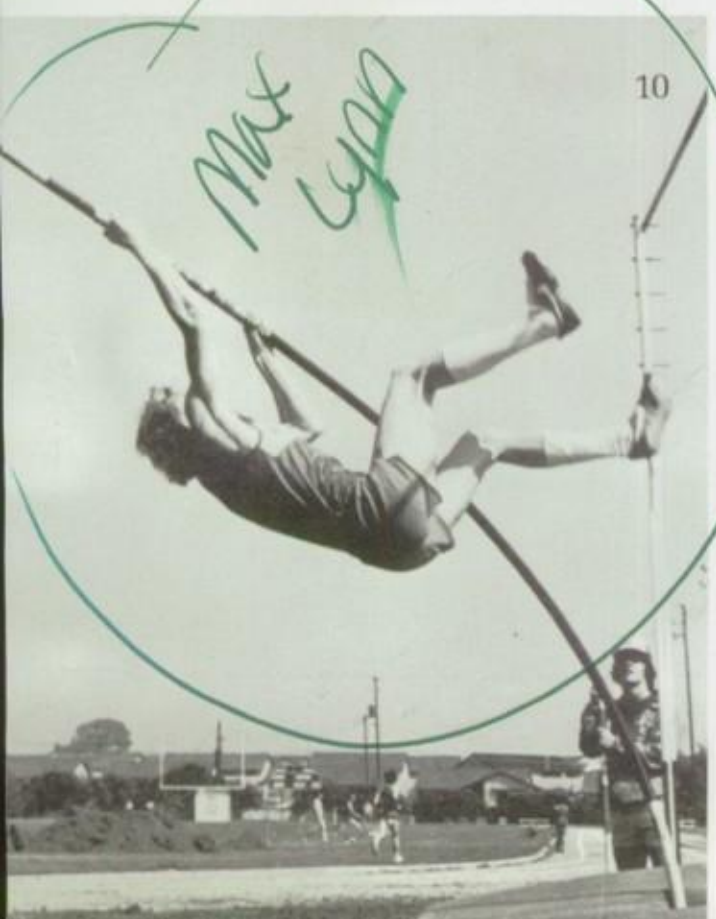
The returnees from the 1980 Arrowhead League runners-up include CIF runner Mona Masonis, mid distance runners Nina Goetz, Stacy Belville, Sherry Lynn, and Derenda DeRosa, sprinters Tamara Martinez, Tiki Stone, Tammy Seibert, and Brandi Cuttress, hurdlers Whitney Claypole, and Theresa Reyes.

Other prospects wanting to help the team are, Diane Guenther, Arleen Theall, Sherry Mawhorter, Gaylene Rice, Linda Hoffman, and Lisa Teel.

I apoligize to any who did not make the list as of this writing.

Glenn K. Rollins





1. Max Lynn competes in the 300 meter low hurdles.
2. Mark Scheuermann tries to extend his 50 yard lead over an Orange runner in the 3200 meter race.
3. In the high jump, Brett Midkiff is tough to defeat.
4. Dave Smith receives the stick from Dan Daum in the 400 meter relay.
5. In the 1600 meter race, Mark Scheuermann presses to break 5 minutes.
6. Cathy Downey gets edged out at the tape in the 100 meters by an Orange sprinter.
7. Theresa Reyes pushing hard to make up lost ground in the 110 low hurdles.
8. In the Lutheran 4-way meet, Brett Midkiff records a fast time in the 120 high hurdles.
9. Tamara Martinez provides stiff competition in the 100 meter dash.
10. Max Lynn on his way to 12 feet 6 inches in the pole vault.

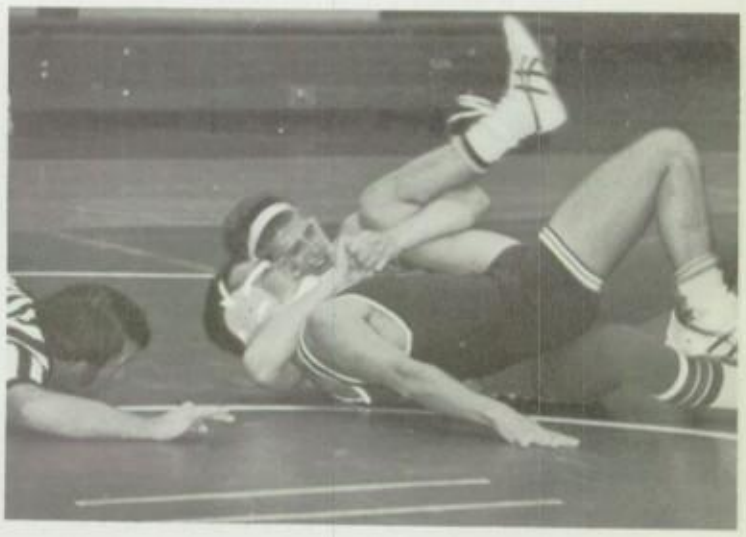
SWIMMING

The swim team faced the new year with a new coach, new faces, and some familiar ones. Practice was held at the "Y" every morning at 5:30 a.m.

Swim team practice is not just racing up and down the pool, but involves improving strokes and developing techniques. Each new year brings strong competition from teams such as Buckley, Chadwick and Santa Monica, and also brings challenges and chances to break records.

Trojan swimmers eagerly await our new pool on campus, as swimming conditions at the "Y" are far from ideal. The new pool will bring new hope and interest to the swimming program, making it a sport more widely participated in.

Each New Season
Is A Time for
New Beginnings.



Varsity Cheer

The 1980-81 varsity cheerleaders showed a lot of enthusiasm. There were eight varsity cheerleaders, the largest squad in LHLV's history. The squad attended a cheerleading camp at U.C. Santa Barbara for a week of hard, tiring work, but it was a lot of fun.

The girls had a new advisor this year, Kristine Beckman. Kristine was an LHLV cheerleader during the years of 1975-79, and really enjoyed coming back to supervise. Almost all of the girls had cheered in past years. With a lot of experience on the squad, everyone put their ideas together to plan rallies and promote spirit at the games. It was an exciting year enjoyed by everyone.

7. After a tiring day of camp, the night has just began.

JV Cheer

The 1980-81 Junior Varsity cheerleaders, also the largest J.V. squad ever, had an exciting year. All were sophomores, and for all, this was their first year cheering for Lutheran High. They too attended cheerleading camp at U.C. Santa Barbara and learned quickly to work together as a team.

The J.V. girls made a good showing, and have the opportunity for two more successful years at LHLV.

ACTIVITIES

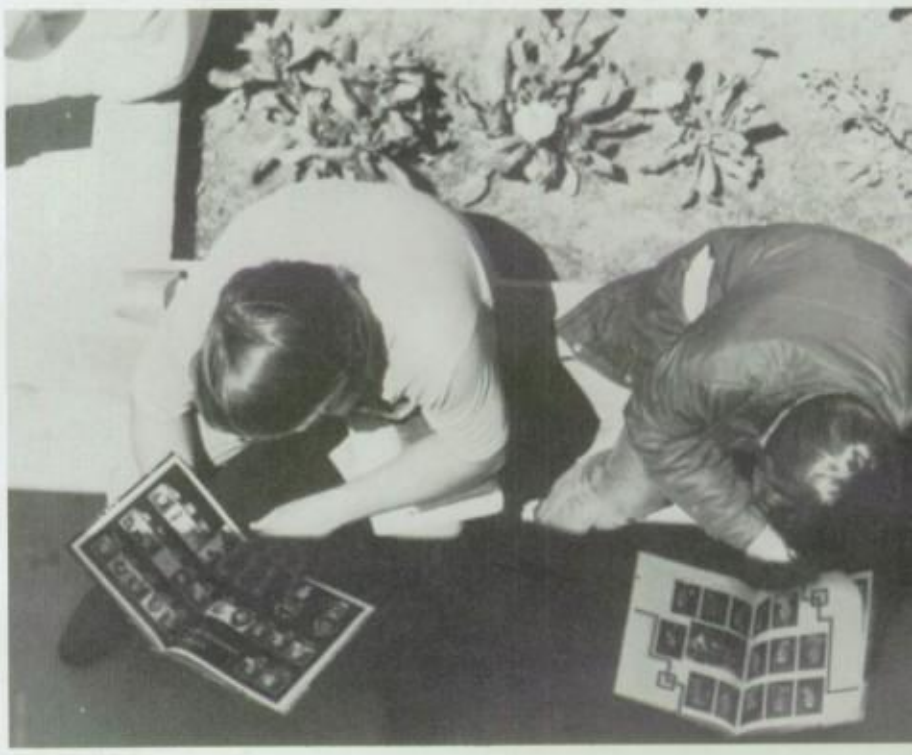
Yearbook

The yearbook staff consisted of six Seniors. Three of them; Mark Price, Cheryl Henke, and Mark Scheuermann, were on last year's staff. Sandra Walter, Jeff Lampman, and Karyn Beckman were the newcomers. Mr. Bretscher was the advisor-editor.

There were 4 deadlines, November 6, December 3, January 6, and February 11. Deadlines were not difficult to meet, but the week before a deadline was always a little more hectic. Meetings on Sunday nights helped us get things done on time.

The whole staff, whose goal was to raise ⅓ of the total yearbook cost, participated in the ad campaign. The Warrior staff achieved its goal ($1500) and then some, and was able to upgrade the '81 cover.

Photographers were Mark Scheuermann, Jeff Lampman, and Mr. Bretscher. Thanks are extended to Sandra Walter and Steve Lossing for their artwork, and thanks also to coaches and advisors who wrote articles and had their clubs pose for pictures.



Journalism — the Trojan Sword

Trojan Sword staff consisted of the students in Mr. Klawiter's Journalism class. These students were; Dave Coleman — Editor, Brian Becker — News Editor, Julie Swinton — Feature Editor, Arlene Theall — Sports Editor, Melissa Calvin — Association Editor, George Ireland — Business Manager, Dana Lynn Milhous — Circulation, Tara Jessup — Librarian, and Todd Verrill — Writer. Also helping out, but not in the Journalism class, were Dan Ort — Sports, Tiki Stone — Sports, and Steve Lossing — Cartoonist.

The class has taken 2 field trips; one to the Claremont Courier to see how they publish the Trojan Sword, and the other, to the Progress-Bulletin in Pomona to see how their operation works. Trips to the L.A. Times and to NBC were also planned.

To raise money, the class sang Christmas carols just before vacation. They made 12 cents.

Naval Science conisted of over 120 people. It has existed at Lutheran High ever since the school began. The students associated with Naval Science seem to enjoy it very much and most of them stay in the program throughout their years at LHLV.

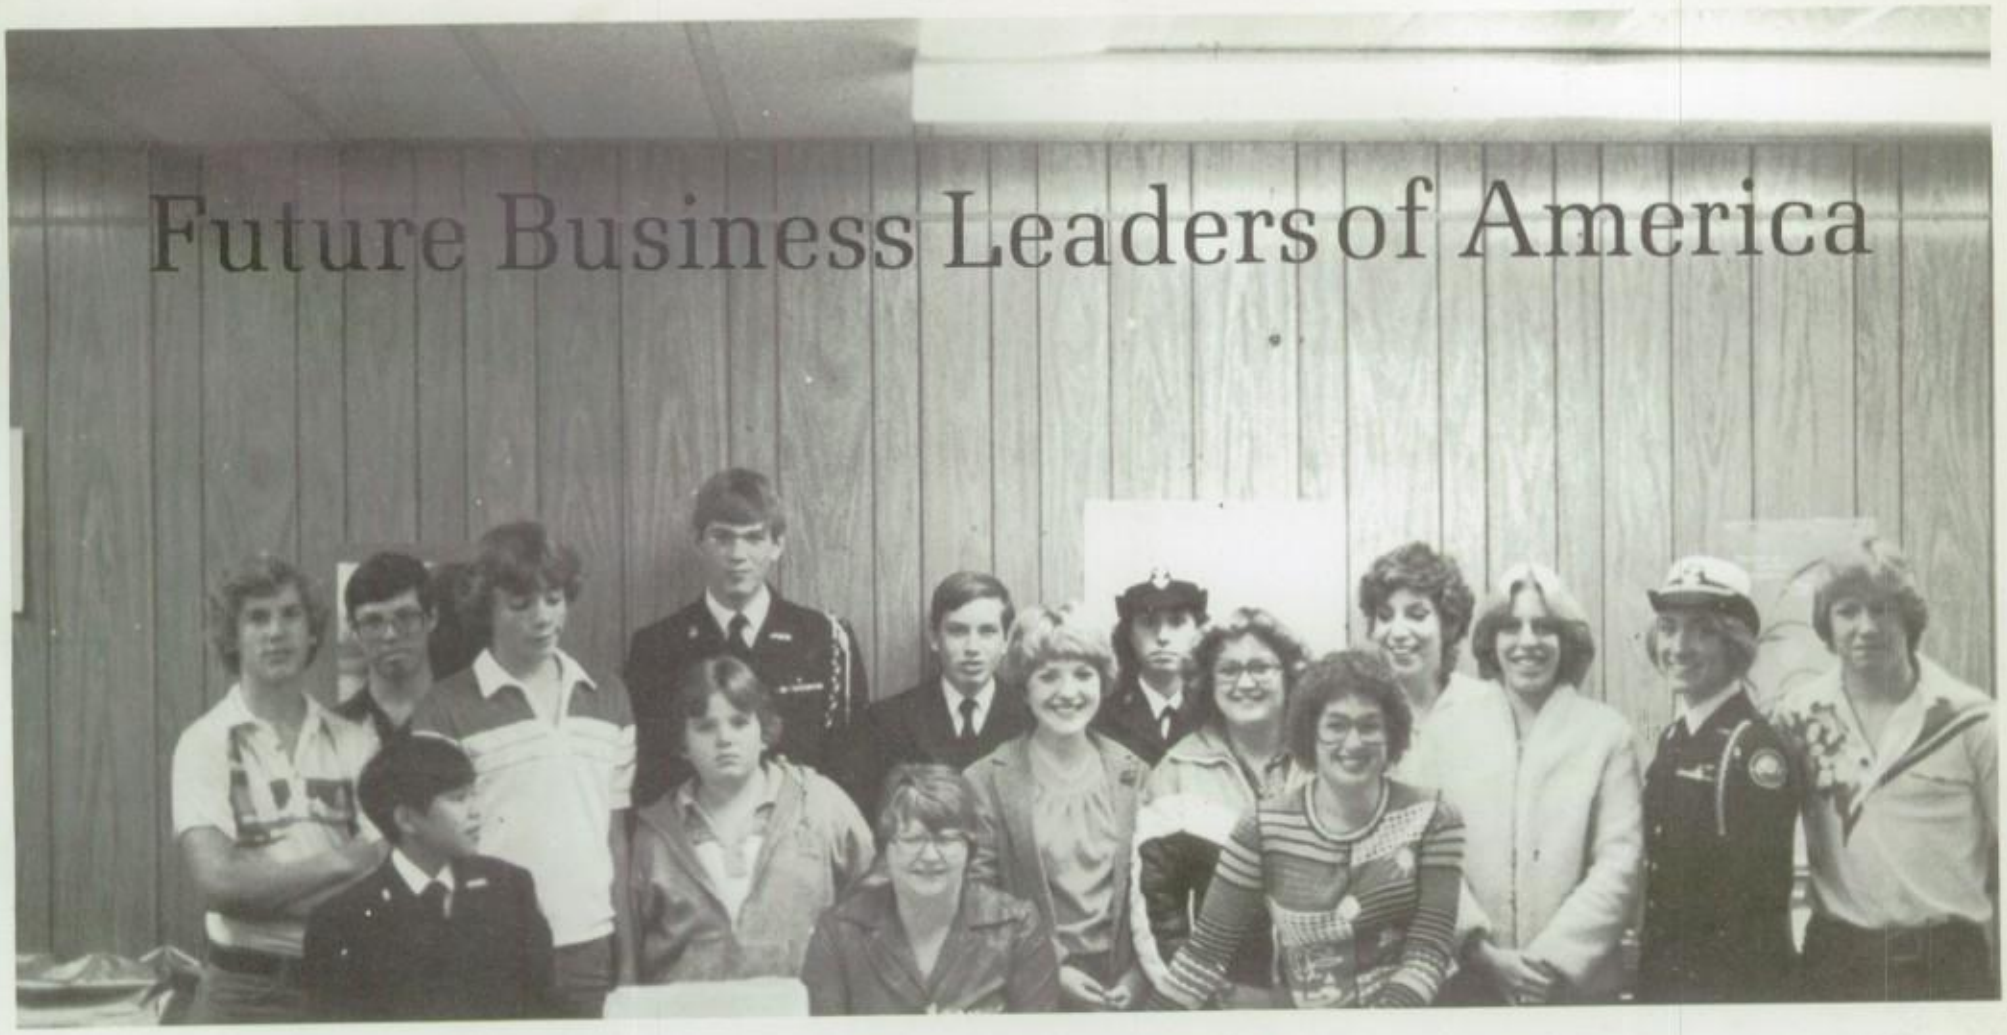
Drama

The group has been organized through the help of Mrs. Daughters, Mrs. Albers, and some persistent Seniors. They wanted to help form a winning tradition for the years to come. The club had to battle lack of funds, space and time, but certainly not talent, or enthusiasm.
Look for more from this group in the future.

Future Business Leaders of America



FBLA was the most active club on campus. Besides running the Student Store, the 20 members sold carnations for Spirit Week, the Homecoming Game and Dance. They also were responsible for the hot chocolate that was sold on those cold and rainy Thursdays. The Christmas Candy-Grams were put together and delivered by them. FBLA co-sponsored two activities with the Key Club. Both the picture sale and the Sadie Hawkin's Dance in February were very successful; both clubs benefited and the student body had fun, too.

Probably the most impressive thing they did was sponsor the Careers Day on March 24th. It was the pet program of advisor Mrs. Mabey, and was a big success. Hopefully, the students got some pertinent information on their future career goals. At the left is President — Debbie Stueve. Other members are: Cheryl Henke — Vice President, Lisa Ward — Secretary, Shelly Norton — Treasurer, Jeff Armstrong, Melissa Calvin, David Cross, Jim Daum, Debbie Heckenlively, Paula Hienzman, Wayne Hittinger, George Ireland, Mark Joslen, Lance Kajiwara, Cynthia Krummet, Stacy Leppert, Mona Masonis, Jim Mikelson, Karrine Robburts and Kathleen Steele.

Chapel Committee

Pr. Wobrock leads the opening devotion. Members are Cheryl Henke, George Ireland, Carrie Mackie, Rit Brown, Mary White, Chris Zehnder & Bruce Lim.

The Chapel Committee was quite active during this past school yea Given the responsibility of planning and coordinating all chapel service on campus, the committee met weekly in an effort to provide the mos meaningful worship services possible. In addition to faculty member singing and performing ensembles from the area, as well as pastors of th Lutheran High School Association led the student body of LHLV in ou Wednesday chapel

What a privilege it is to serve the Lord in this most important area o our life together under Christ in this place. "Hallelujah! Yes, let His peo ple praise Him as they stand in His Temple courts. Praise the Lor because He is so good; sing to His wonderful name. For the Lord has cho sen Israel (us) as His personal possession.

Model Club

The Model Club met each Wednesday at lunch. Their main activity was working on various types of models. The purpose was to promote an interest in model building. Their plans included holding a Hobby Show in the Spring of 1981 and to make field trips to intriguing places.

At the right is President Dave Coleman giving a demonstration. Other members are John Haines — Vice President, Craig Ritchey — Secretary, Jack Koltaj — Treasurer, Dan Breshears, Bob Bryan, Mark Chally, Charles Hanson, Chad Harske, Bruce Lim, Dan Morgan, Garth Smith and Sandy Soos.

Key Club

The Key Club's activities include co-sponsoring a picture sale to gain funds. They also co-sponsored the dance on February 7th with FBLA.

Shown at the left are Don Bellows — President, Shawn Armstrong, Paul Copeland — Treasurer, Debbie Stueve — Secretary, George Ireland, Finnon Gannon, Mr. Jaime Schmidt — Advisor, and John Guevara. Other in membership include Joe Ban, John Barbee, Mark Price, Craig Larson, and Darrin Storkson.

CSF Chapter 947s

The purpose of CSF is to foster high standards of scholarship, service and citizenship on the part of students of the senior high schools of California.

Student Council

Being on Student Council . . .
is not just something
to put on your transcripts.

You're admired by classmates, however
there are drawbacks.
You're an example to the school,
even if unofficially.
Classmates demand privileges
and teachers expect more from you.
You're constantly on the move.
No one really realizes
how much time it takes
or how much work is involved.
You were elected last May
to work all this year.
Tuesdays' lunches are taken,
and the Executive Council meets
on Thursday afternoons also!
Decisions are made,
schedules verified,
speeches given, . . .
and there are hassles.
But you put it together.
Somehow you make it through,
shaping LHLV into something special.

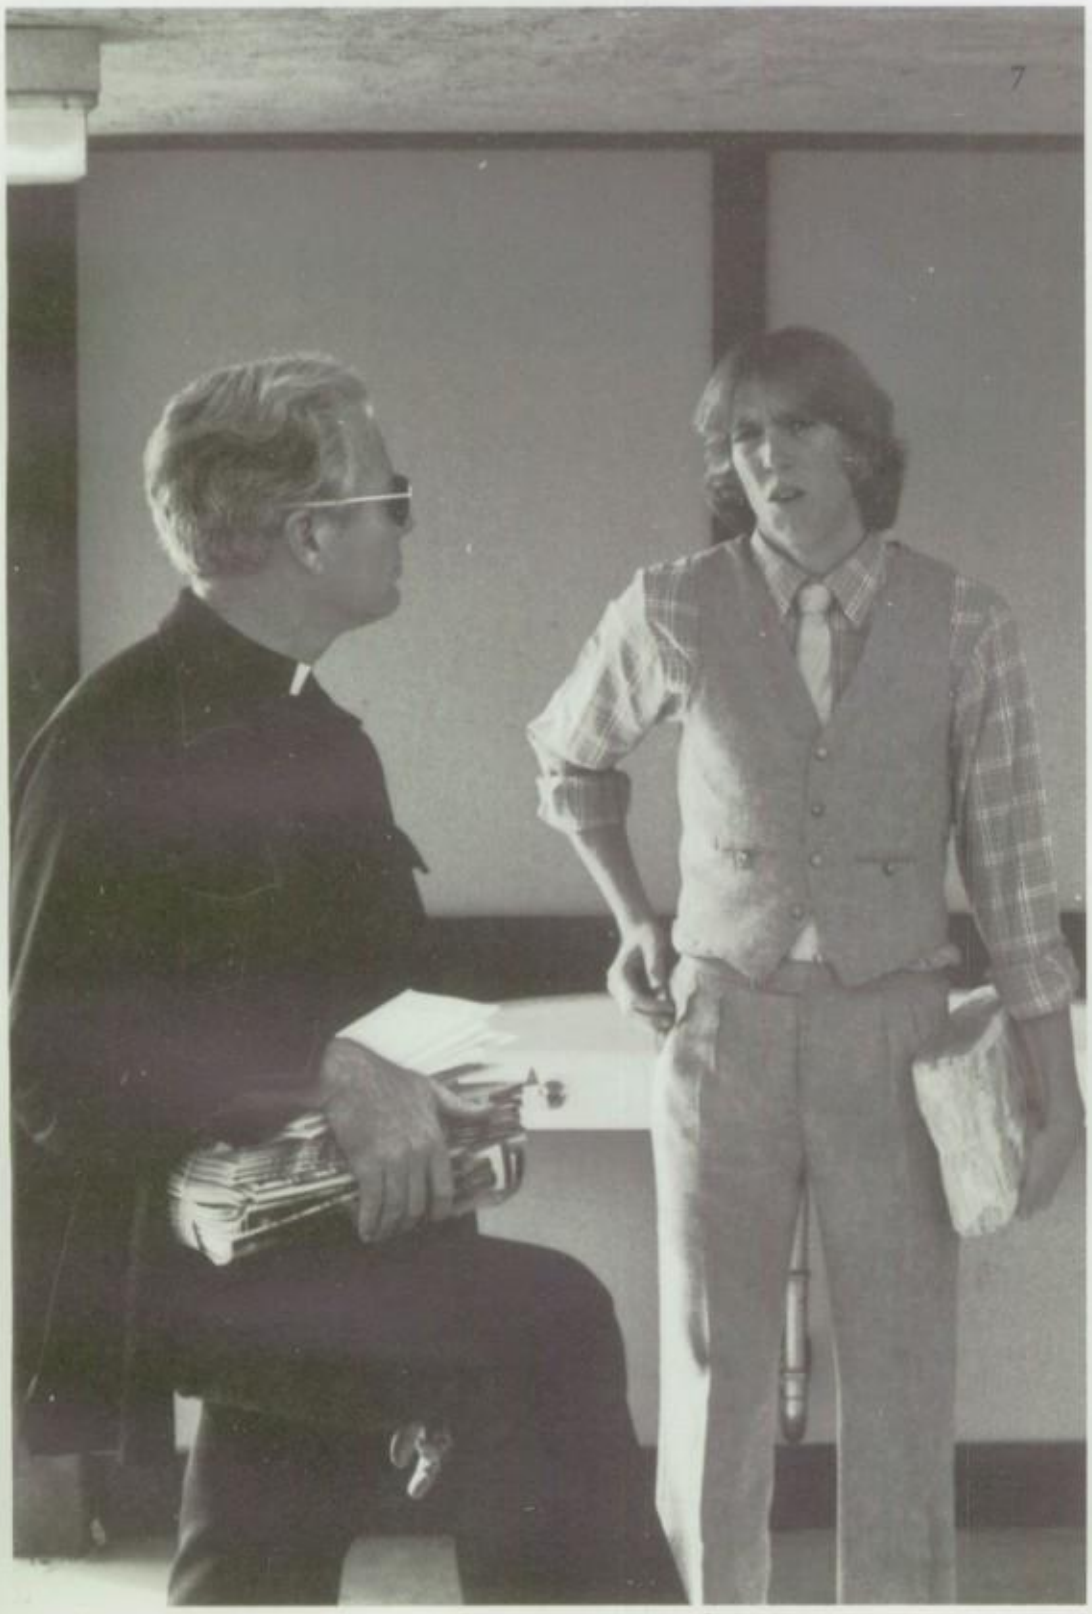
The Student Council was one of the best that Lutheran High has ever had. They planned, scheduled, or approved all school related activities, including Homecoming and Spirit Week and served as a liaison between the students and administration. The main achievements of the Council this year was to write a constitution — a first for Lutheran High and to sponsor a "dress day" on the third Friday of each month.

The Student Council was divided into two parts, the Executive Council, and the Class Representatives. The officers of the student body formed the Executive Council. They were President — Mark Price, Vice President — Pam Nagel, Secretary — Cheryl La Plante and Treasurer — Ann Lundahl. Class representatives were: Freshmen Class — Romney Mawhorter and Denise Otto, Sophomore Class — Julie Barksdale and Kris Rasmussen, Junior Class — Tiki Stone and Nina Goeta, Senior Class — Kelly Hubatka and Dan Daum.

The Faculty Advisor was Jean Foxen. The Student Council is indebted to her for her excellent guidance and leadership.



1. No wonder no one takes Pam Nagel seriously!
2. Kelly Hubatka represents the Senior Class in a water balloon toss.
3. Freshmen Rep. Romney Mawhorter and Treasurer Cheryl LaPlante watch a Trojan Victory with friends.
4. An assembly was called to explain the function of and introduce the Student Council.
5. Mark Price and Pam Nagel wait to begin the meeting.

Music Department

Music is any combination of sounds that is pleasing to the ear, but it can be difficult to actually make music that is pleasing to the ear. Accomplishing a piece of music that sounds decent takes a lot of time and patience from both the musician and conductor. Some students just entering band or choir may not have a lot of ability as a musician but going over and over scales, studying pieces of music, learning parts, and practice, practice, practice, leads to improvement and the mastering of an instrument and training of a voice.

The Lutheran High School band and choir has, over the years, never been very big, but talented and provides some good performances. Every year the band and choir go on tour, traveling to different elementary schools to promote the interest of music in grade school students and to possibly recruit some talented Lutheran high students.

The choir sometimes sings at chapel services, or a selected few may be asked to sing at an L.W.M.L. meeting or perform solos. Also the band and choir perform concerts at Easter and Christmas. This year the Christmas Candle Light Cantata was held at First Lutheran Pomona. All the time and hard work showed as the concert turned out well and was enjoyed by all.

Expressions

It takes skill, imagination and know-how to express one's self in an artform. The person's inner self and abilities are portrayed in the outcome of his work.

In art classes 100 and 205, students learn that they have the ability to express themselves through their artwork. Sometimes this means keeping a tight reign on their imagination in order to achieve control in the handling of materials and design.

The final work does not always turn out exactly as was planned or fit into a student's notion of what art is supposed to look like. Patience and motivation are required on the part of the artist to improve, and an even greater task is required on the part of the observer; that is, to find satisfaction and worth in another person's art.

Periods of time
Some of which are free and easy,
Others filled with abstract worry.
Often times are empty moments
Which can never be lived again.

As I live my life
Dear Lord, please help me to fill
My life with everything
That is acceptable to thee.
Help me fill empty moments.

Rita Brown.

DANCES . . .

A time to talk, to romance,
to go a little crazy, to dance,
and to sneak that forbidden kiss.

The Hello Dance . . .
introduced us.

The Homecoming . . .
reunited old friends.

The Sadie Hawkins . . .
gave the girls first pick,
and the tab.

The Aloha Dance . . .
brought tropical fun.

The Military Ball . . .
distinguished uniforms
added to the occasion.

The Prom . . .
the last dance,
the Seniors' special night,
and an evening made for memories.

Dances were a special part
of the Trojan Era . . .
They brought friends together
and helped us grow.

3. Freshmen "wall-flowers" had a good time anyway.
4. Girls tried the new steps solo at the Hello Dance.
5. The "Touch of Class" Senior display won and helped set the mood at the Homecoming Dance.
6. Romance was abundant at all the dances.
7. Michelle Kessik and Norval Hardy exhibit the strong influence of Punk at all dances.
8. Alumni filled the dance floor at Homecoming.
9. Dan Ort and Garth Smith check out the action at the Hello Dance.
10. The Prom will be remembered as the main attraction of the year.
11. Refreshments were a pleasant part of socializing and cooling off.

1980-81 TROJAN ERA

The 1980-81 Trojan Era was filled with mixed emotions: triumph, anguuish, fear and sadness. From the Boycott of the Summer Olympics, after tasting victory at Lake Placid, to the eruption of Mt. St. Helen, things have happened that have affected us all. Registration for the Armed Forces was a major concern, particularly for the upperclassmen. People questioned their sense of relief when the Shah died and rejoiced on day 444 when the 52 hostages were finally released. The Presidential Election competed for media coverage as three-fourths of the world asked: "Who shot J.R.?"

People thrilled to watch the most sadistic show on TV: ABC's That's Incredible, which put one man against a 150 foot fire tunnel . . . he lost. The senseless murder of John Lennon by a fan and the deaths of Peter Sellers, Jimmy Durante and Alfred Hitchcock will be long felt.

On campus the most popular Senior guy was Kevin Werner while Kelly Hubatka was the favorite gal. Melissa Calvin, 1980 Homecoming Queen, was again chosen the most beautiful and Steve Sans was chosen as the most handsome guy. Brian Becker was chosen as the most likely to succeed. Mrs. Daughters was the favorite teacher. Most Trojans loved to party. Guy-watching passed up girl watching, but both were very popular. Going out was the main activity, especially to the beach or mountains.

The 1980-81 Trojan Era . . . the memories will always be with us. We worked, we played, we rejoiced, we sorrowed . . . but most of all, we grew.
